

Tyler Cohen is an Aerospace Engineer, and a graduate of the University of Maryland, College Park. He currently works for Naval Air Systems Command (NAVAIR) at Naval Air Station Patuxent River in Southern Maryland. He is highly involved in the Aero Dynamics Workshop, the all-volunteer crew that provides aircraft and exhibit repair support for the museum. He is also a private pilot, and enjoys designing and constructing light aircraft, ultralights, and hang gliders. Mr. Cohen serves as the Secretary for the Field of Firsts Foundation.
